

Command Centre Feature Overview

security.gallagher.com

Security

Welcome to Command Centre, our centralized platform designed as more than just a security solution that gives you unparalleled control of every aspect of your site.

We're dedicated to ensuring you get the most out of your Command Centre experience. When you purchase a Command Centre license, you have a diverse set of features and enhancements available to you right out of the box. These are made available through two major releases per year.

The following features come as a standard part of your Command Centre system:

- Action on Access
- Advanced Reporting
- Anti-Pass back
- Broadcast Notifications
- Bulk Changes
- Cardholder Management Viewers
- Interlocking
- Macros
- Notifications (SMS, Email, Mobile App)
- Site Plans
- Support for 256 facility codes
- Zone Counting
- Access to Security Health Check
- Divisions
- Enterprise Data Interface
- Guard Tours
- Notifications (SMS, Email, Mobile App)
- 100000 Cardholders
- 1 x Command Centre Mobile Client
- 1 x Competency
- 16 doors
- 5 x Mobile Connect credentials
- 1 x Mobile Evacuation License
- 6 x Fence Zones
- 1 x Workstation License
- 5 x Z20 Disturbance Sensor Licenses
- 5 x Z10 Disturbance Sensor Licenses

In addition to our core list, we have a number of optional features and third-party integrations that can be added to your Command Centre system to customize it for the specific needs of your site.

The following features are optional and can be added to your Command Centre System as needed:

- Additional credentials
- Additional licenses (eg door, fence, carpark, competencies, workstations etc)
- Car Park Management
- Elevator integrations
- Intercom integrations
- Key cabinet integrations
- Locker Management
- Printing and Coding
- Random Selection
- REST APIs and other tools for integration into other systems
- Sensor integrations
- Tag boards
- Third party readers (including biometric)
- VMS integrations
- Visitor Management

The capabilities of Command Centre are constantly expanding to deliver richer value for our customers through new enhancements, features, and integrations. This is not a complete list, it will continue to grow as our list of offerings evolves.

For more information on what Command Centre can do for you, or to understand more about what a feature entails, get in contact with one of our expert Gallagher representatives.
